

## MEDIA RELEASE

For Immediate Release

September 26, 2017

### DESIGN A CRISTMAS CARD FOR LGH

Lions Gate Hospital Foundation is calling on young artists to create a design inspired by the North Shore for its 2017 Christmas card.

The chosen artist will see their design printed on 20,000 cards which will be purchased by supporters to send to friends and family around the world. The winner will also receive a \$100 Park Royal gift card.

Foundation judges, who include local artists Cori Creed and Nancy Boyd, are looking for bright, colourful festive artwork to celebrate the season and help raise thousands of dollars for Lions Gate Hospital.

The design competition is open to Grade 4-12 students who live or study on the North Shore. The closing date for designs is 12 midnight on Thursday, October 16, 2017.
