

REGISTERED FUNDS

GIFTING YOUR RRSP OR RRIF

Retirement savings like RRSPs and RRIFs are often among the most heavily taxed assets in your estate. By naming Lions Gate Hospital Foundation as a direct beneficiary, you can reduce or eliminate taxes on these funds and create a vital legacy that strengthens health care in your community.

AN EASY AND MEANINGFUL WAY TO GIVE

Making this type of gift is simple and flexible. Here's how to update your beneficiary designation in just a few easy steps:

- 1. CONTACT YOUR FINANCIAL INSTITUTION**
Request a beneficiary Designation Form for your RRSP or RRIF
- 2. COMPLETE THE FORM**
Name Lions Gate Hospital Foundation as a full or partial beneficiary. You will need our legal name (Lions Gate Hospital Foundation) and Charitable Registration Number (11902 0907 RR0001)
- 3. RETURN THE FORM TO YOUR INSTITUTION**
They will update your account records. This gift is separate from your will and not subject to probate.
- 4. SHARE YOUR WISHES WITH LGHF (OPTIONAL)**
If you would like your gift to support a specific area of need, please contact us directly. We'd love the opportunity to thank you and help ensure your intentions are honoured.

BENEFITS OF DONATING REGISTERED FUND ASSETS

- You retain full control and access during your lifetime.
- Your designation is flexible and can be updated at any time.
- Your estate will receive a charitable tax receipt, helping to offset taxes owed.
- Gifts made this way avoid probate and estate administration fees.
- More of your legacy supports local health care rather than being returned to the government.
